

Cell 0	Cell 1
Cell 2	Cell 3

Cell 4	
	Cell 5

A diagram showing a large container with a thick red border. Inside the container, there are two smaller rectangular boxes, each with a thin black border. The left box is labeled "Cell 0" and the right box is labeled "Cell 1".

Cell 0

Cell 1

A diagram showing a large container with a thick red border. Inside the container, there are two smaller rectangular boxes, each with a thin black border. The left box is labeled 'Cell 2' and the right box is labeled 'Cell 3'. The boxes are positioned side-by-side in the center of the container.

Cell 2

Cell 3

Cell 4

The diagram shows a large red rectangular border containing two smaller rectangular boxes. The box on the left is labeled 'Cell 4'. The box on the right is divided into two horizontal sections: the top section is solid green, and the bottom section is white and labeled 'Cell 5'.
